Will NEGA MAN survive? Will he come out of this INTACT?
And what will happen to DB, Wily?
All this and more NEXT TIME!

Dear Mega-Mail,

Hi, how have you been? I have recently become a Mega Man fan from seeing a Sonic comic with Mega Man on it from the EPIC Worlds Collide crossover.

Hoorey! We're glad you joined us for the adventures of the super fighting robot!

I have not stopped reading the comics, I'm collecting all of the issues, and it hurts to wait a month for the next issue. I am even doing my own little comics with Mega Man and Sonic.

Patiently! If we released Mega Man more than once a month our creative team would be run ragged! You should send in your comics for us to check out in the near future!

When I graduate I want to go to college for drawing comics! Is it possible in the future I can be a part of your ARCHIE COMICS comics and help out?

Keep honing your talents and anything is possible! We look forward to seeing your artwork!

The Re Moon storyline is SOOO EXCITING!!

YES! Thanks to Re Moon, the

Blue Bomber is pretty beat up. This story took quite a turn!

P.S. Proto Man is my favorite character, and you guys made his storyline AWESOME!! Could you tell fans he's for real?

I will! It shouldn't be too hard to find him since he's always doing that whole thing!

I hope one day to meet you guys! It's in my dream list! P.S. I have a fan art in one of the comics. I was wondering how many I can submit???

— Your hopefully biggest fan,
Myra E. sent to
MegaMan@ArchieComics.com

The big, Myra! You can send as much fan art as you like! We're always happy to see it!

Dear Mega-Mail,

I must say that Super Adventure Rockman is the last game I would have expected a story about, but I am very happy to see it. I very much look forward to seeing the StarRoads and Dimensions in the future. Maybe even the Constellation Gods and the RM's from the PG games! Well for now, I'm just super excited to see Re Thor in all his wonderful glory.

We're happy that you're happy! There's plenty of Mega goodness ahead, I can say that you'll be pleasantly surprised!

And I must sincerely thank you for passing the fanpage. I've seen all the song lyrics you've stuck in there. Here's to more releases!

Thank you,
Aige sent to
MegaMan@ArchieComics.com

Thanks, Aige! Keep your eyes peeled for even more!

Dear Mega-Mail,
I have a question!

You're a quick draw!

Do you think Pin Moon will destroy the Earth?

As long as Mega Man can fight, I have hope the world will be safe!

Well, keep rockin' and rollin', dude!
Marco A. F.
from California

Thanks for the letter, Marco!
Don't fret, we will never stop rockin' and a rollin'!

We'll see y'all next time for the epilogue to BLACKOUT the Curse of Re Moon!
